President's Letter

Dear Garden Club Members:

A year has gone by and it is time for us to thank the Board of Directors for their extraordinary leadership and service. The end of our term has come; we have achieved most of our goals, organized a successful horticultural show, sponsored an impressive photo contest and many other activities which celebrated our 70th Anniversary. Mainly we have established an immense awareness of our Garden Club and the significant role it plays in our communities!

Congratulations are due to all members, since we have been honored by Texas Garden Clubs, Inc., with "The Green Club of the Year Award". This award is a statement that gives recognition to the members of the A&M Garden Club, of the numerous results obtained by working together in an outstanding number of programs, donations, communications and civic involvement.

In addition, please remember we will feature two more Design workshops; next May 9, "Line Design" by Mrs. Josephine Colonna and June 6, "Table Designs" by Mrs. Delma Cassaro. During the summer, we also look forward to have an Award luncheon and a Board of Directors meeting. We will later remind you of the November 11th ceremony when we will be presenting a Blue Star Memorial plaque to honor our Military.

The installation ceremonies to inaugurate the new Board of Directors, have been organized by Mrs. Delma Cassaro and will take place during our May meeting at the Teen Center. Don't forget to bring a plate of "finger food", if you wish to remain after the ceremonies and join us for lunch, we will be celebrating the new Board of Directors, our Club's achievements and our friendships! Gracias, you all, time does fly by when one is with friends, which are the most beautiful flowers of my garden!

Idalia Aguilar
