### President's Letter

Dear Garden Club Friends,

Fall in our Brazos Valley is the best time to enjoy  
our gardens, selecting plants for spring or winter  
and mulching our flower beds for the cold weather.  
Soon we will be surrounded by the golden tones of  
this beautiful season that announces the end of  
another year.

We will have a fantastic opportunity to purchase  
trees at the Keep Brazos Beautiful tree sale. This  
year Live Oaks, Red Buds, Bald Cypress and several  
varieties of Crepe Myrtles will be available. The  
event will take place November 10<sup>th</sup> at the Tejas  
Center parking lot near Texas Avenue and Villa  
Maria, from 9 am to 2 pm. For more information  
contact: [www.keepbrazosbeautiful.org](http://www.keepbrazosbeautiful.org)

Needless to say, with the knee surgery, this has  
been a tough time for me, yet I'm profoundly  
grateful for all the beautiful cards you have sent.  
The meaningful messages have cheered me up and  
are a statement of what Garden Club's friendship is  
all about!

Mary Ann Taylor has graciously accepted taking  
over as President until I am able to do so. Our  
Club is in good hands! You should look forward  
also for an informative and interesting program  
next meeting. Don't forget to bring your yearbooks  
to add the necessary corrections.

Missing you all, feel free to call.....at the time I  
am always home.

Idalia
