
District V Summer Workshop

June 11 Workshops, plants, ideas, lunch. \$10 by June 1 to Killeen Garden Club % Betsy Hilliard, PO Box 132, Killeen, TX 76540. Contact Jane if you want to ride together, leave Exit Center around 7:20 am or have questions.

Pressed Flower Cards

A 'pressed flower' card making workshop will be given by Judy Schafer on June 20, 9:30 am, at her home. Judy has often given these art cards, so if you have seen them, you know that they are beauties.

Cost: \$5. per person to make 2 cards. Supplies you need to bring: pressed flowers, scissors, ruler, pencil, small artist brush, and clear craft glue that dries clear if possible, sack lunch and drink.

Collect your small flowers and small leaves when the flowers are dry. Big, thick flower heads do not do well. Place between 6 layers of newspaper, or phone book pages and weigh them down with books, board, or something heavy. Takes about 2 weeks for them to dry and press. Stems or leaves with texture also are needed as these are like miniature floral arrangements. Look for leaves that are small and not smooth.

If you plan to attend, email Suzanne Milstead, scisuz@earthlink.net or let Judy know that you wish to come. Judy can accommodate about 10 comfortably so let us know ASAP that you wish to come and can bring your own pressed flowers. It's fun and very easy to do!

Habitat Container Gardens

In partnership with the National Garden Council, we will make Container Gardens for the seven homes in the Habitat for Humanity Builder Blitz. Heirloom Gardens, 12900 Old Wellborn Rd., CS, will host a clinic on Friday May 30, at 9:30 am, to help us plant the NGC container gardens with "Perfectly Simple Container Garden" plants from garden author Pamela Crawford.

Helping coordinate the Habitat Project is Mary Jane Bizon, <MJBizon@GMAIL.COM>, 690-9853. Helping are: Mary Jane B, Jane C, Kay Hobbs, Angelika H, Sheila M, Suzanne M, Mary Ann T, Margaret Ann W, Heather W, and Eugenia W. Judy S and Jane C are donating some plants. Idalia A is contributing to the project.

Participating members will present the container garden they made to the seven new home owners at the dedication on Friday, June 6, 5:30 pm, Celia's Dream Lane, Bryan (Angels Gate subdivision off of Palasota). One of these homes will be the 5,000th Habitat house built in Texas. A&M Garden Club members are invited.

A&M Garden Club

Nell Zeigler, Texas Garden Club, a former member of the A&M Garden Club, installed A&M Garden Club officers (shown on the heading of this newsletter) at the May 9 meeting of the A&M Garden Club at the Exit Center.

Suzanne Milstead summarized Idelia's Floral Design Exhibits for member's review. Delma Cassaro showed a small flower design and discussed Flower Show guidelines. Members enjoyed a luncheon.

Reports were give on the Pot et Fleur Show by Jane Cohen, memorial pavers and scholarships for Polly Hatcher by Judy Schafer, proposed budget by Angelika Hoepfl, district meeting by Jane Cohen and Nell Zeigler, and Butterfly Pocket Garden by Judy Schafer. Jane Cohen discussed plans for club projects and activities for next year. Suzanne Milstead announced a Pressed Flower Workshop for June 20. Heather White discussed fund raising projects.

VP Mary Ann Taylor presided at the Exit Center with 24 members. Kay Hamn read the blessing. Mary Staffel led the pledge to the flag. Kay Hamn served as Secretary. Ellen Pullen gave the Treasurer's report and collected dues. The plant exchange was enjoyed and contributions go toward courtesy committee activities. Norma Jean Stokes was thanked for the hostess table at each meeting. Door prizes from State Conference and National Garden Council calendars were awarded.
