- June 7-13 National Garden Week

President's Letter

Dear Garden Club Friends,

The A&M Garden Club had a great President's Report for 2008. I was so proud of the many excellent programs, the interesting monthly studies, the new and continuing projects, the variety of activities, the ways and means projects, our growth in membership - I wrote and wrote about our club!

The 2008 year was summarized with the statement - "Our members have enjoyed the camaraderie of our group, the opportunity to share growing plants and friendships, the excellent programs, the design training from the pot et fleurs to the current design projects, and the enthusiasm of so many new members."

Thank you for your contributions to the A&M Garden Club. Please let me know your ideas and suggestions.

Jane Cohen, President 2008-10

New Members - Welcome
